

CI/CD/CT Expert (m/w/d) - Automotive

📍 Chemnitz, Munich, and Weyhausen

Level of experience: Experienced

Tasks you will take on

- **CI/CD Pipeline Development:** Design, implementation, and optimization of automated build, test, and deployment pipelines for automotive software
- **Continuous Testing:** Building and advancing automated test frameworks (unit, integration, system, and HIL testing)
- **Tool Management:** Administration and enhancement of CI/CD toolchain (e.g., Jenkins, GitLab CI, Azure DevOps)
- **Automotive-Specific Integration:** Integration of automotive tools such as Vector CANoe, ETAS INCA, dSPACE, and other test systems
- **Infrastructure:** Management and automation of build and test infrastructure (containers, cloud, on-premise)
- **Quality Assurance:** Implementation of code quality gates and compliance checks (MISRA, AUTOSAR, ISO 26262)
- **DevOps Culture:** Promoting best practices and collaboration between development and operations teams

Your qualifications include

- Successfully completed studies in Computer Science, Electrical Engineering or similar
- Several years of professional experience in CI/CD implementation within the automotive industry
- Strong knowledge of Jenkins, GitLab CI/CD, or comparable tools
- Experience with container technologies (Docker, Kubernetes)
- Proficiency with version control systems (Git, SVN) and Expert skills in scripting languages (Python, Bash, Groovy)
- Understanding of automotive standards (ASPICE, ISO 26262, AUTOSAR)
- Experience with automotive test systems (CANoe, CAPL, HIL) and Infrastructure as Code (Terraform, Ansible) preferable
- Knowledge of cloud platforms (AWS, Azure, GCP) and in embedded software development preferable
- Certifications (e.g., Jenkins, Kubernetes, AWS) a plus

Your skills include

- Analytical and solution-oriented thinking
- Strong team and communication skills
- High degree of personal responsibility and initiative

- Willingness to learn new technologies
- Fluent German and English (due to the requirements, we cannot consider a German level below C1)

What's in it for you

For more flexibility

We offer individual & flexible working hours, mobile working, flexible work assignments as well as a parent-child office.

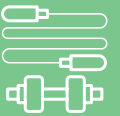

For your development

We offer individual development paths, further education & training as well as comprehensive onboarding.

For your well-being

From the company doctor to a wide range of sporting activities such as yoga or volleyball to massage.

For your strengthening

We offer catering, free coffee specialties & water, daily fresh fruits and 30 vacation days.

For our team spirit

Regular events take place. From team events to company celebrations and after-work events.

For your wallet

We offer a Spendit-Card, VWL, a company pension scheme pension plan and a fair basic salary.

Contact us

We develop functions and associated services for automated driving, driver assistance and mobility.

Send us your cv to bewerbung@fdtech.de.
